

How did you get to the Museum today?

by bus

by car

by train

on foot

by aeroplane

Or did you use a different type of transport?

---

**Look** at a bus.

**Draw** a circle around the words which describe it.

**big**                      **new**                      **ugly**  
**dirty**                      **short**                      **old**                      **small**                      **shiny**  
**clean**                      **beautiful**                      **long**                      **broken**

**Write** one other word about this bus.

\_\_\_\_\_

**Draw** one of the wheels.

Look at the bus.

What is the name or number on it?

---

How many wheels does it have?

---

Does it have more, less or the same number of wheels as a car?

more

less

the same

Put a ✓ or an × in the boxes.

**Touch** the outside of the bus.  
Do you think it is made of -

- wood
- plastic
- metal
- glass
- cloth

**Climb** into the cab. Touch the inside of it.  
Can you find -

- wood
- metal
- glass
- cloth
- plastic

Now get into the main part of the bus.

**Touch** the seats.

Do you think they are -

comfortable

uncomfortable

Now sit on them. Were you right? \_\_\_\_\_

Which of these are they made from?

wood

plastic

metal

glass

cloth

Where can you find these shapes in the museum?

Look inside and outside the vehicles.

Write or draw your answers in the box below.

circle		
square		
triangle		
rectangle		
cuboid		
cylinder		

Which shape did you see most of?

## **A detail of this vehicle...**

(Draw, or describe your favourite part of the vehicle here)

## **I like this vehicle because...**
